

CURRICULUM VITAE 2008

Name: **Nina Ebner, MD**

Position: Residency in Psychiatry, Medical University Vienna, Department of Child and Adolescent Psychiatry

Address work: Medical University Vienna, Department of Child and Adolescent Psychiatry
Waehringer Guertel 18-20
1090 Vienna
Austria
Phone: +43/1/40400-3034
E-Mail: nina.ebner@meduniwien.ac.at
homepage: www.sucht-addiction.info

Date/place of birth: July 2nd 1973 in Vienna
Citizenship: Austria

Education: 1979-1983 primary school, Volksschule Klosterneuburg
1983-1991 high school Bundesgymnasium Klosterneuburg
High school graduation: 1991 at high school Bundesgymnasium Klosterneuburg
University education: 1992-2002 medical education, University Vienna
University graduation: July 2002 at Medical University Vienna (MUW)

Medical Education:

02/2003-09/2003	doctor in residency	General Medicine – office based
12/2003-02/2004	doctor in residency	Psychiatry – office based
04/2004-09/2004	doctor in residency	MUW, Department of Clinical Pharmacology
10/2004-02/2005	doctor in residency	Hospital Tulln, Department of Surgery/ Traumatology
03/2005-06/2005	doctor in residency	Hospital Tulln, Department of Internal Medicine
07/2005-04/2007	doctor in residency	MUW, Dept. of Psychiatry and Psychotherapy
05/2007-ongoing	doctor in residency	MUW, Dept. of Child and Adolescent Psychiatry

Scientific work with Professor Dr. Gabriele Fischer, Addiction Research, Medical University Vienna since 2002

Addiction research: Addiction Research, Department of Psychiatry, Medical University Vienna since 2002; research focus on diversification of maintenance therapy in opioid dependence; drug dependence during pregnancy/outcome in children of drug addicted mothers; gender research; HepatitisC&HIV/AIDS and drug addiction; MOTHER Maternal Opioid Treatment: Human Experimental Research (NIH Grant R01 DA 018417)

Qualifications: Diploma I in Psychosocial Medicine, Austrian Medical Chamber
Languages: German (mother language), English, French, Portuguese

Scientific publications:

I. Peer reviewed journals
